

Local non-profit agency is looking for a couple to work in the Crisis/Respite Nursery, caring for children from newborn through 11 years old. Many of these children are coming from situations that put them at risk of abuse and neglect, and our goal is to provide a safe place for them to be with healthy adult role-models, while their parents take care of whatever difficult situation they are dealing with. We are available as a community resource 24 hours a day, 7 days a week.

#### Requirements

- Sets of two people (often married couples) over the age of 20.
- Both individuals need to have 6 months of professional or life experience working with children who display challenging behaviors or special needs.
- Food handler permit & First Aid/CPR certification (we help obtain this during the training period if needed).
- Ability to clear a background check (we will fingerprint and submit at hiring).

#### Shift

One weekend per month: Friday 5:30pm-Sunday 6pm on-call, with Sat. 4-8pm on-site, with potential to be on-site for more hours based on circumstances.

#### Pay (per person)

\$10/hour for on-site time; \$1/hour for on-call time.

#### Responsibilities

- During on-call time: carry on-call cell phone and answer forwarded calls, be within 30 minutes of admitting children to the agency if a crisis situation arises.
- During on-site time: care for the children, check families in & out, basic cleaning, basic paperwork, prepare & serve meals/snacks, supervise volunteers

This is a great opportunity for couples to work together and help children in our community. Since this a unique position where each shift varies, it is very difficult to explain. If you need more information, please feel free to call (801) 229-1181 or email (address below). Please look at our website [utahvalleyfamilysupport.org](http://utahvalleyfamilysupport.org) or find us at [facebook.com/uvfamilysupport](https://facebook.com/uvfamilysupport) for more information about our agency. To apply, please submit resumes to [rhardman@utahvalleyfamilysupport.org](mailto:rhardman@utahvalleyfamilysupport.org) and include any relevant childcare experience.
