Donations of items that we would normally have to purchase are especially appreciated. We are most in need of the **highlighted** and bold items listed. Our needs change from time to time, so if you would like to organize a donation drive, please call to coordinate.

Please know that while we sincerely appreciate all donated items, if you are able, **donating cash is the most effective way to give** to local nonprofits like us. It allows us the flexibility to direct those dollars exactly where it is needed the most—we can actually DO MORE with dollars. For ways to donate cash, visit the DONATE page at www.UtahValleyFamilySupport.org. Thanks for your help!!
